

# WHITE KRATOM CAPSULES

100% ORGANIC

## For Cognitive Performance Support

### What is White Kratom?

Kratom is a tropical tree native to South Asia. Kratom leaves have been used in alternative medicine for chronic pain and other conditions. Kratom's active ingredient, mitragynine, is found in its leaves. White veined leaves are picked at the earlier stages of their maturity. White-veined leaves are famous for their peace-inducing after-effects.

### White Kratom Health & Wellness Benefits

#### Improves concentration

Improves your overall senses. Uplifts your focus to an entirely new level, along with its extraordinary abilities to clear your mind.

#### Uplifts mood

Instantly improves your mood and gives you a boost throughout the day. In a stressful situation, it will motivate you to focus on the silver lining and keep positive.

#### Boosts energy levels

Increases energy and vitality. When you don't feel like you have any energy left, reaching for this is the perfect way to get through hard days.

#### Alleviates depression

Relieves depression and asthenia and reduces anxiety levels.

#### Relieves mild pain

Provides sufficient relief from mild to moderate pain, chronic discomfort or inflammation in the body, headaches and migraines.

#### Additional benefits

- Increases libido
- Powerful anti-anxiety and muscle relaxant properties
- Boosts the immune system
