Energy Booster Health & Wellness Benefits

Ginkgo bilabo increases focus & drive

Effective as a cognitive aid and usefulness in increasing focus and drive. It's great for those with high-demand, fast-paced lifestyles, who are constantly on-the-go.

White kratom boosts energy levels

Increases energy and vitality. When you don't feel like you have any energy left, reaching for this is the perfect way to get through hard days.

Cordyceps boosts exercise performance

Increases adenosine triphosphate (ATP), which is essential for delivering energy to the muscles. This improves the way your body uses oxygen, especially during exercise.

Green tea protects energy levels

Contains L-theanine which helps to slow the body's absorption of caffeine. This allows the body to process the caffeine more effectively and results in a longer lasting energy boost.

Oyster mushrooms release energy

Contains high amounts of vitamin B-12, as well as moderate amounts of riboflavin and niacin. B vitamins release energy by breaking down carbohydrates in the body.

Siberian ginseng increases work capacity

Has the ability to increase your work capacity. Also increases oxygenation of the cells, increasing endurance, alertness, visual acuity, concentration and mental clarity.
